Dear Student,

My hearty congratulations to you for joining the IIT Jammu family. IIT Jammu fraternity welcomes you to our scenic phase - I location (transit) at the main campus of IIT Jammu, Jagati, Jammu. You are a privileged group to be the first occupants of this new campus. This will be the place where we will celebrate youth and excellence and shall work to transform young persons into responsible adults for our nation building. We will be doing so while fulfilling the aspirations of Jammu and Kashmir with engrained human values, social responsibility, and concern for environment.

Our attempt shall be to help you redefine yourselves not only as excellent scientists and techno-preneurs but also as better human beings. We will be striving to empower you to realize your full potential to become better citizen of the country and the globe. This will be achieved by academic rigour while combining your intellect with classrooms and laboratory experiences. The next few years shall shape your mind through cooperative learning at IIT Jammu.
