2. Have proven experience working in government projects in cyber security related research or competency development activities in a government establishment on cyber security or have done work in competency development or knowledge delivery to working professionals in cyber security courses. Having prior experience in training and teaching will be an add on.
3. Research works available through publications in the areas of interest mentioned in essential qualification point 1 will be and add on.

Criteria for Shortlisting: those passing essential qualification will be shortlisted for an interview or written test based on the number of applications.

Upper age limit: Upper age limit: 32 years (Age relaxation: upper age limit is relaxed up to 5 years for SC/ST/OBC/women and candidates with physical disabilities)

Application Process:

Duly filled application form along with the requested details, scanned copies of certificates, other supporting documents, should be uploaded through the online portal (<https://apply.iitjammu.ac.in/#/home>) latest by **7th September 2024**. Please apply through the [contract/project staff/JRF/SRF] tab on the referred application portal.

Important Points:

1. The applicant will be responsible for the authenticity of the information, other documents, and photographs submitted.
2. Merely possessing the prescribed qualification does not ensure that the candidate will be called for an Interview. The candidates may be shortlisted based on merit and need for the project.
3. Shortlisted candidates will be informed by e-mail about the interview. So, the candidate must provide valid e-mail IDs, and phone number information in their applications.
4. Shortlisted candidates must present themselves for the interview on the interview date with an updated CV and original and attested photocopies of mark sheets/certificates supporting their academic qualifications. Only shortlisted candidates will be called for the interview. The time of the interview will be informed to the shortlisted candidates by e-mail. The interview will be held using the online/offline.
5. Candidates who are already employed should produce a relieving certificate from their employers if selected.
6. The last date for receiving the duly filled-in application is **7th Sep 2024**, through an online portal.
7. The date of the interview will be informed to the shortlisted candidates through email.
8. **Candidate must upload all the documents with respect to educational qualification, experience, etc.**
