

MESSAGE

I extend my heartfelt congratulations to all the graduating students on reaching this remarkable milestone in your engineering journey. On the 7th Convocation of IIT Jammu, we honour not only your academic achievements, but also the resilience, determination and passion that have brought you to this important threshold.

Your years at IIT Jammu have equipped you with strong technical knowledge, critical thinking and the confidence to navigate a world undergoing unprecedented technological transformation. As you step into the future, you will encounter complex challenges that will require both technological excellence and a deep sense of responsibility. From harnessing the potential of ethical Artificial Intelligence and quantum computing to developing sustainable infrastructure and advancing green energy solutions, the opportunities before you are immense.

As engineers, remember that your purpose extends beyond designing and managing technology. At its heart, engineering is about solving problems that matter to people and creating solutions that improve lives. The challenges you encounter should not be viewed merely as obstacles, but as opportunities to innovate, collaborate and create meaningful change.

As you embark on this new chapter, carry with you the spirit of inquiry, integrity and innovation that IIT Jammu has nurtured in you. I am confident that you will use your knowledge and skills not only to build successful careers, but also to contribute meaningfully to the nation and to the world. My best wishes to each one of you for a fulfilling and impactful journey ahead.

(Jayant Chaudhary)
