Shortlisting Criteria for Admission in Ph.D. Program (2020-21)

(Ref. Advertisement No. IITJMU/Acad/2020/02)

Detailed criteria followed for PhD shortlisting process:

1. Ph.D. students working towards their doctoral program will be admitted through the regular admission process that is held twice a year as per the Institute schedule. This will be irrespective of their source of fellowship, Institute, CSIR-UGC, Project, etc.
2. However, for the students hired against JRF project positions since the regular selection in June/July 2020, they will be shortlisted and called for interview in the Dec 2020 admission as a particular one-time measure.
3. The shortlisting criteria for Ph.D. interviews as a matter of policy will be
 - (a) GATE rank of up to 1500 with both B.Sc. and M.Sc. score of 60% (CGPA 6.5) and above.

OR
 - (b) GATE rank of up to 500 with B. Sc. score of 55% (CGPA 6.0) and above + M.Sc. score of 60% (CGPA 6.5) and above.

OR
 - (c) GATE rank of up to 2000 with both B.Sc. and M.Sc. score of 75% (CGPA 8.0) and above.

OR
 - (d) GATE (Physics) rank of up to 500 and B.Tech. With CGPA of 8.0 and above with sufficient exposure to Physics during the engineering program.

There will be a minimum 2nd division in one of the 10th or 12th certificate exam and 1st division in the other than 10th or 12th exam in all the above.

Based upon the shortlisting criteria, the list of shortlisted and not shortlisted candidates for PhD program in Mechanical engineering is as follows:
